

# MBYC Newsletter May 2009

## Club Manager's update

Dear Members,

So far the new concessionaire is doing well, but we would like to see more members enjoying the facilities of the club and to encourage non members to become members and enjoy the 20% discount at the bar and restaurant. We must inform you that there is absolutely no credit facility.

We have been clearing the container to construct temporary lockers for the boat owners. If you have any items in the container and have not done so yet, please come in and identify them. If you need locker space, please contact the office. :

**Reminder:** after June 30<sup>th</sup>, 2009, we will be disposing of all unclaimed items on the club's premises.

Lots of activities are planned for the summer. We will be updating you on the events and hope to see you here.

Our annual marlin tournament is closely approaching and we would like to invite participation in this tournament and sponsorship. If you are interested, please contact the office or Cheryl at [cheryl@mobayyachtclub.com](mailto:cheryl@mobayyachtclub.com).

We would like to thank Anil Chatani for the table tennis board. The members are certainly enjoying it.

Congratulations to Eddie and Chrissie on the birth of their daughter Amelia.

Bev

## New Members

The Club welcomes the following new members: Conroy Donaldson, Jeroen Van Geldren, Norman Sampson & Althea Goombs, George Leslie, and Scotty Johnson

## Summer Sailing Camp

The preliminary dates for the sailing camp this year are August 10 to 21. We have already received a lot of requests for reservations so if you or your children are interested in learning a new sport or rekindling the passion, please contact Heather. There will be professional instructors provided especially for this course and no matter your ability, this course will be right for you. We will have the new Laser Pico's to train in along with the Optimist and J22.

## Weekend Racing

The J22 sailboats continue to race regularly. There have been quite a few people interested in coming along to find out what it is all about and more are welcome. The schedule is available on line and if you don't know any of the skippers to ask them, just contact Heater and she will put you in touch with right person.
