We are looking for persons who **would be interested in being trained to be a sailing instructor** so that a regular program using the new dinghies is available year round. The new dinghies are going to be here in August. You don't have to be a member so even if you know someone who you think might be interested, please pass on the message.

The J22 sailboats continue to race regularly and the skippers always appreciate new crew! Feel free to come along. The safest way to ensure a ride is to let Heather know.
